

Jane and Elias – one couple serving to the God Almighty

CAUTION! ARE WANTING TO HOLD YOU

In 3:10 of Exodus God sent His servant Moses to free His people of the slavery and of the suffering in Egypt. Moses, after some tries to move out God that anywhere there is someone better of him to be send, move yourself to Egypt to free the God's people away from slavery.

However Farouk uses of some cunningings in the attempt to hold God's people in Egypt, exactly in slavery conditions.

Exodus 8:8 – Attempt of approach – “Then Pharaoh called for Moses and Aaron”. Pharaoh tries to come close itself to the leaders, who knows thus obtains to influence the people in some way. In the same way the world has attempted if to approach of God's Church. Unhappily many churches accept the things modern to hold the young in the church, not perceiving that they are keeping the person in the church, but God don't obtain a true follower.

Exodus 8:8 – It seems to be of the same side – “Intreat the LORD, that he may take away the frogs from me”. Once more Pharaoh attempts to seem to identify himself with the fight of the people. Another cunning that the enemy has used against the church is to raise people who seem to be of the side of the church. People who make look like to be good, seem to fear, make look like to be friends, but are being used to make to deviate the people of God.

Exodus 8:25 – “sacrifice to your God in the land.” Its seems as he was considering: You can serve the Lord, but don't need to abandon this world of sins and pleasures. The love to the God cannot coexist with the passions flesh times, its necessary that church understand this. Isaiah 1:13 says: “I cannot away with; {it is} iniquity, even the solemn meeting. {iniquity: or, grief}”. Unhappily today, our churches are full of people who only want to be part of a social group, want to go to the front to reveal, only desire the same searchlights for itself, the God no worship.

Exodus 8:28 – “only ye shall not go very far away: intreat for me”. You can until leaving some things, but pra that to take a life of total devotion the God and its rules. This is another very used attempt for the enemy. We find believers who think to be possible to serve the God without abandoning the world completely and what it offers in them. The bible affirms that the world lies in the malignant e, for this cannot participate of what it in the sample.

Exodus 10:11 – “Not so: go now ye {that are} men, and serve the LORD”. Here faraó tries to delude the people, if you want to go leave the children. Attempt to still hold some thing of your life in the world, you can until serving the God, but pra that to be worried about its family? That sadness when we find people who think that, being the individual salvation do not need to be worried excessively about his family and, with this, they seem their children, parents, brothers going for the hell. The bible affirms: “Believe in God and you and your house will be saved,”. Doesn't leave the enemy deceives you.

Exodus 10 :24 – “Go ye, serve the LORD; only let your flocks and your herds be stayed”. You can until serving the God, but its businesses don't need to be total honest. Remember: God wants you, your family and everything that you have. That is total consecration.

Exodus 10:25 – “answered Moses: there shall not a hoof be left behind”.

What you have left in Egypt? Your wife? Your children? Your businesses? If it does not leave to delude for the attempts of the devil. God wants to save you and all your family.

Searchs to make all commands the Lord asks you and He will give the victory to you.

Exodus 12:36 – “And Jehovah gave the people favor in the sight of the Egyptians, so that they let them have what they asked. And they despoiled the Egyptians.”.

See you!
