

GOD DOES NOT GO TO THE FAIR

Mark 1:40,41

“And there came a leper to him, beseeching him, and kneeling down to him, and saying unto him, If thou wilt, thou canst make me clean. And Jesus, moved with compassion, put forth {his} hand, and touched him, and saith unto him, I will; be thou clean”.

When someone goes to the fair arrives before a newsstand of fruits or vegetables, she chooses that that wants take home, however only the best fruits are chosen, a stain or defect is enough reason so that fruit is left of side.

God doesn't act like this with us, He assists all that approach to Him, even a leper. In this text we can learn some things, among them it is that He approached Jesus the leper and Jesus didn't reject Him, same being the leper, impure in agreement with the habits of the time. If Jesus accepted a leper, you will also accept if you approach of him.

So that this happens have to observe some points:

1. **Approached** – The leper made the decision of approximating of Jesus, the initiative left of his heart and Jesus didn't reject him as well as it doesn't reject anybody.
2. **Beseeching** – You need to ask to God that you want, that is a sign of recognition of the power of God. When you make a request to somebody means that is recognizing in that point that the person has larger power than you to solve the subject.
3. **Kneeling down** – When you if it puts of knees before Jesus you recognize the position of Lord that He possesses. This is the position of the believer's attack. Believer that if it doesn't put of knees no it wins battles.
4. **Say unto him** – The leper declared to Jesus that afflicted him. A lot of times we don't see our problems solved simply because we are too proud to talk about them with Jesus. God needs to hear from you that you need. You need to humiliate before God and to tell Him that wants of God.

When you accomplish these points some things happen with Jesus:

1. **God feels compassion for you** – As soon as the leper humbled before Jesus and it recognized that he needed the Master's miraculous intervention, Jesus felt compassion for him. When you humble before Jesus you play bottom in the heart erases.
2. **God extends the hand.** – As soon as the leper demonstrated Jesus all his humiliation, it recognized that he needed the miracle, Jesus extended him

the hand. You until he can think that your problem is too big to be solved, but he knows that, if you share with Jesus his pain He will extend the hand.

3. **God touches you.** - Jesus extended the hand to the leper and he touched him. To play a leper was a horrendous action for a Jew, however Jesus ignored the habits, because his compassion for the leper was too big.
4. **God does what you asked him** - When you declare to God your problem, she approximate erases, he humbles before Him, you move the heart of God and He start to want the same thing that you. Why God makes this:
 - a. **John 1:12** - "to all that received him He gave the right of if they turn children of God." You are son and God doesn't abandon their children.
 - b. **Mathew 28:20** - "I will be with you until the end of the world." God is with you amid this problem, you are not alone.
 - c. **Hebrew 13:5** - "I never, will abandon never you nor I will abandon" him. God doesn't abandon you when you go by problems. No matter how much your problem does with that all stand back of you, God doesn't stand back.
 - d. **John 15:9** - "I have lover to you just as the Father loved" you. Jesus loves you, even if you if it is hated by all Jesus loves you.
 - e. **Romans 8:37** - "But in all of the things, we are more than winners for that that loved" us. In spite of everything that happens, we have a resounding victory through Christ that loved us to the point of die for us.
 - f. **Romans 8:28** - "And we know that all of the things contribute to the good of those that love God." Everything that happens is operating us for our own good if we loved God and we made comfortable to the plans erases.

God accepts you just as you is. He receives you like you is. You don't have to be a saint to be accepted by Him, it is the action of God in his life that will do a better person of you.

See you!
