

LET THE SUPERFICIALITY

Ezekiel 47:2-12

"And by the river upon the bank thereof, on this side and on that side, shall grow all trees for meat, whose leaf shall not fade, neither shall the fruit thereof be consumed: it shall bring forth new fruit according to his months, because their waters they issued out of the sanctuary: and the fruit thereof shall be for meat, and the leaf thereof for medicine. {shall grow: Heb. shall come up} {new: or, principal} {for medicine: or, for bruises and sores} ".

One day the prophet Ezekiel was invited to walk with the angel of the Lord, walking around the temple and across the creek from time to time, as they walked.

At first, only a small trickle of water that barely reached to the ankles of Ezekiel. After the water has reached the knees to the waist and then the prophet. They walked some more and the river was already so deep and strong that they crossed only by swimming.

In our walk with God must also be so. The more we walk by His side, to deepen our relationship, until love and serve the Lord are the main things in our lives.

Unfortunately we see many of the people of God who stopped to deepen this relationship, fearing the deeper water. They reached the point where the water got on my knees and stopped, dropped and continue to provide care and company of God because of the ankles to the knees and had some hard evidence for this is limited to cross the river at this point in life. Do not allow the Holy Spirit lead them into deeper water.

You can no longer remain so. God created man to a full relationship with him and lost a lot when you give up walking for deeper water.

There are people who no longer walk because if you pray very afraid of being caught by baptism in the Holy Spirit and begin speaking in

Jane and Elias – One couple serving the Lord

tongues, or those who do not read the word not to be confronted with the little things that are wrong in their lives lashes and follow the leading of the Holy Spirit not been repaired and prefer to remain as slaves of sin that has dominated.

How long are you going? How are the waters where you cross the river? The word declares that the river where he had spent life, but in deeper water you will taste more of God and see His action more powerful.

Do not be afraid of deep water; put an end to this superficial relationship with God. It was for this that He created you. It was for this that Christ came.

See you!
