

SIX THINGS THAT GOD DON'T KNOW

Psalm 139

"{Such} knowledge {is} too wonderful for me; it is high, I cannot {attain} unto it."

David speaks in this psalm of three attributes of the character of God. If you study the whole psalm carefully, verse for verse, will see that the psalmist speaks about the Omnipresence of God, He speaks about the Omnipotence and also of Omniscience of God. We will stop in Omniscience of God, in other words, in the capacity that the Lord He has to know all of the things. No matter how incredible it can seem is this even. God knows all about the things, He knows your past and the whole past of all of the people, in fact God knows about that that did happen before the first man to step in terrestrial soil. And God knows what very well will happen in your future, all the choices that you will do or he will stop doing.

We will think a little about Omniscience of God:

1 - God doesn't need to acquire knowledge - The man has acquired knowledge through a lot of effort, it takes advantage of each opportunity to learn a little more, however with God it is different. He doesn't need to make an effort to acquire knowledge. The wisdom of God is not resulted of observation, consultations or laboratories. He knows everything of all of the things.

2 - God doesn't increase in wisdom - God doesn't know today more than knew there are some behind centuries, His understanding is infinite for all the eternity. The wisdom of God was always perfect and it completes in all of the things or subjects. He doesn't need to register in any university to learn on some new subject.

3 - God knows naturally - Omniscience of God belongs to the own nature of God.

4 - God knows everything in the plan of the human experience - God knows thinking of the men, their roads and their words. He knows everything on

you and about your life. Read the verses from 1 to 6 and He will see what the psalmist says on the knowledge of God.

5 - God knows about the men's works - The men can hide yours works some of the other ones, but they cannot hide anything of God. No human eye saw Cain kill Abel, but God saw. Achan thought to have committed a perfect crime, stealing some items and hiding in his tent, but the Mister he knew what he had done. David hid his sin and he thought to be calm, until that the Mister he sent his prophet to confront the psalmist with the sin that had committed.

6 - God knows the tribulations and temptations of his people - Exodus 3:7 say: I have been seeing the affliction of my people, that is in Egypt sincerely and I have ear his claim..."

Will it be that some exists thing then that the Mister he doesn't know? He exists yes and I will show him this. Six things that God doesn't know exist, he didn't know and he will never know.

1 - God doesn't know the existence of another alive and true God like Him - Isaiah 44:6 say: "I am the first and the last, out of me there is no God." God is what says to be, he has what says to have, he does what says to do and it can what says to can. He is God, only God.

2 - God doesn't know a man not to be sinful - The apostle Paul says in Roman 3:23 "because all sinned and separate they are of the glory of God." Nobody that is not sinful doesn't exist. We were already born in sin and our nature always walks for the evil. You are not a sinner simply because he sins, but he sins because it is sinful.

3 - God doesn't know a sinner that He doesn't love - John 3:16 say: "because God loved the world that gave his only son so much so that all that that has faith in him doesn't perish, but he has the eternal life." Nobody that God doesn't love doesn't exist. God already proved his love in relation to you. Paul said in Roman 5:8 that God proves his love to us in that Christ died for us, being us still sinners. God didn't wait until you to become perfect and without sin to love you, because He knew a lot albeit only Jesus' blood could get rid of your sins.

4 - God doesn't know a sin that He doesn't detest - Sin is sinned and God dislikes the sin. The sin makes separation between the man and God. The sin degrades the man, it humiliates, it causes suffering. God loves the sinner, but it hates the sin.

5 - God doesn't know other savior to not to be Jesus - Paul says in Actions 4:12 that it is "in any another there is salvation, because also under the sky any other name there is die among the men for which we should be saved." A lot of religions today deceive the people presenting other salvation possibilities, but this doesn't exist. No there is any salvation possibility out of Jesus. John said: who has Son has the life, who doesn't have Son doesn't have the life. Jesus said: "I am the road, the truth and the life, nobody comes to the Father if it doesn't go for me." Religion no sage. Shepherd, priest or any other religious leader don't save. Mary or one saint can't save, but Jesus can. I Timothy 2:5 say: "Because there is only one God and only one mediator among God and the man, Jesus Cristo, man."

6 - God doesn't know a better day for you to surrender to Jesus that is not today - You don't know what will happen with you tomorrow or later. Nobody can guarantee that will be alive the day after tomorrow. The best moment for you to surrender to Jesus is today. "Today, if you hear my voice, you don't harden your heart."

Nobody can make this for you. Salvation is individual. He doesn't care your parents are this or that. Only you can say Jesus to enter in your heart, and He will only enter if you open the door. "Suddenly I am to the door and I beat, if somebody to hear my voice and to open, I will enter..."

Think about.

See you!
