

TOUCHED BY THE EMBER

Isaiah 6:6-7

“Then flew one of the seraphims unto me, having a live coal in his hand, {which} he had taken with the tongs from off the altar: {having...: Heb. and in his hand a live coal} And he laid {it} upon my mouth...”

In the beginning of the chapter 6 of the book of Isaiah we have a passage where the prophet was at the house of God when they opened up his eyes he saw the Lord seated in his throne. The vision of the glory of God was so powerfully in the life of Isaiah that all of a sudden him one find confronted with his sin and if it is inconvenienced. A thing that gets the attention is that, besides feeling inconvenienced with his sin, Isaiah also if it is inconvenienced with the sin of the people of Israel. It was complete the necessary picture so that God touched the prophet's life deeply!

The glory of God was powerfully in the life of Isaiah that him, immediately one saw impelled to do the will of God and wanting to be sent to take the message of the Lord. A person touched by the ember of the altar will be never the same, but so that this happened some things happened:

1. V. 1 Isaiah saw to the Lord. you will never be touched by the ember of the altar is not gotten to see to the Lord. If you are a spiritual blind man, that he doesn't get to see acting God won't be to assist to the Father's voice when He calls.
2. V.5 Then I thought. THE fact of Isaiah to think it means that he had really seen what happened and this took him to contemplate about his life.
3. V.5 am a sinful man. If you are not recognized as sinner and unworthy of being touched by the Lord, it will never reach the happiness of understanding what is to be dignified by the lamb. We are not worthy and we will never be, however Jesus' blood will turn you worthy of receiving the touch of God.

After accomplishing these three steps, you will be ready to be touched by the Lord and, when this happens two things they will happen:

1. V.7 "Purified are your sins". When the Lord you to play you it will be purified of all their sins and it won't return to none of them more. The mercifully of God is something so wonderful that the peace that if he sits down fills out all the parts of the man's heart and when you are forgiven the presence of God in your life will be so big that there won't be space for your old mistakes.
2. V.8 "Here I am" – The main thing that will happen when the Lord to play will be you that you will put to the disposition of God to accomplish the work and to share with the others of the marvel that it is to be touched by the Lord. It is very sad when we found people that affirm have been touched by the Lord, however they don't show to the other ones a transformed life and this is not in agreement with the message of the Lord in the word.

Isaiah was touched by an ember of the altar and if it turned one of the largest prophets of God in the old will, speaking directly to kings. The action of God in his life turned him capable to enter in the rulers' presence and leaders to transmit the message of God.

Shout to the Lord so that He plays you with the ember of the altar. You will be warm for the fire of God and he will also speak of him to daring and authority.

See you!
